DR. MUN Y. CHOI

PRESIDENT, UNIVERSITY OF MISSOURI
Second Year
Illinois, 1987

Following a near year-long national search, the University of Missouri Board of Curators announced the appointment of Dr. Mun Y. Choi as the 24th president in the history of the University of Missouri System on November 2, 2016. The former provost and executive vice president of the University of Connecticut (UConn), Dr. Choi succeeded Interim President Michael Middleton on March 1, 2017.

Dr. Choi's career in higher education includes his previous position as provost and executive vice president at UConn, one of the nation's top 20 public universities in the latest U.S. News rankings. At UConn, he oversaw a budget of $700 million while working with 1,500 full-time faculty, 31,000 students and 2,000 staff across 12 schools and colleges including Schools of Medicine, Dental Medicine and Law. Under his leadership, UConn developed several innovative new programs that have resulted in enrollment growth, increased faculty hiring, innovative research and new and expanded industry partnerships.

Born in South Korea, Dr. Choi came to the U.S. as a child. As a young man, he worked in his family's successful business in Chicago, and later graduated from the University of Ilinois at Urbana-Champaign with a bachelor's degree in general engineering in 1987. He later earned a master's degree and doctorate in mechanical and aerospace engineering from Princeton University.

Prior to serving as provost and executive vice president, Dr. Choi was dean of engineering at UConn from 2008 to 2012. Earlier, he was department head of mechanical engineering and mechanics at Drexel University (2000-2008) and assistant and associate professor at the University of Illinois at Chicago.

"Becoming president of the University of Missouri System is unquestionably the pinnacle of my professional career," said Dr. Choi. "As a product of and passionate champion for public higher education, I will advocate tirelessly on behalf of our exceptional institutions with state and national business, political and civic leaders to achieve excellence in all that we do, and make sure our great campuses realize their full potential."

DR. ALEXANDER N. CARTWRIGHT

CHANCELLOR, UNIVERSITY OF MISSOURI
Second Year
Iowa, 1989

Dr. Alexander N. Cartwright became chancellor of the University of Missouri in August 2017. He came to MU from the State University of New York (SUNY) where he served as provost and executive vice chancellor from September 2014 to July 2017.

At SUNY Dr. Cartwright supported the chancellor and board of trustees in overseeing the 64-campus system. He drove academic policy and oversaw a broad portfolio, including access and inclusion; academic program planning and assessment; enrollment management; student success; global affairs; information technology; and, SUNY's broad research enterprise. He refocused SUNY's academic agenda around the overarching areas of student success and completion; diversity, equity and inclusion; and, through research growth in emerging areas, increasing SUNY's impact on state and global challenges.

A native of the Bahamas, Dr. Cartwright believes in inclusive excellence wherein an institution cannot achieve excellence if it is not inclusive. At SUNY he developed a comprehensive completion model to meet SUNY's ambitious goal of ensuring that more New Yorkers earn the credentials they need to succeed. He launched a system-wide educational effectiveness and strategic enrollment process designed to support each campus in meeting improvement goals.

During his tenure as provost, Dr. Cartwright also served as acting president of the Research Foundation for SUNY from January 2015 to June 2016, overseeing the Foundation's management of over $1 billion dollars in annual sponsored research activity and recommitting the organization to focus on creation of a culture of compliance, transparent administration of sponsored research; and supporting campus efforts to commercialize intellectual property created on campuses. He established the position of vice chancellor for research and economic development to support research efforts of SUNY faculty, grow business and industry partnerships, and foster both undergraduate and graduate research opportunities for SUNY students. Dr. Cartwright also served as Officer-in-Charge of two SUNY campuses undergoing leadership transition, SUNY's Downstate Medical Center and SUNY Polytechnic Institute. In each case he worked with campus faculty governance, faculty at large, students, staff and administrators to meet time-sensitive needs and to identify, and see through to appointment, interim leadership.

Dr. Cartwright came to the role of provost already a member of the SUNY community. He joined the University at Buffalo, State University of New York (UB) in 1995, serving on the faculty and holding increasingly senior administrative positions at the AAU research university. His immediate past position was that of vice president for research and economic development and acting executive director of the New York State Center of Excellence in Bioinformatics and Life Sciences. In these roles, he was responsible for campus/industry relations, research funding and compliance, research communications and research support for UB and the Center.

An internationally recognized researcher and scholar in the area of optical sensors, Dr. Cartwright previously served as the chair of both the electrical engineering and biomedical engineering departments at UB. Before beginning these concurrent chairmanships, Dr. Cartwright led UB's efforts to synergize research across disciplines as the vice provost for strategic initiatives. In this position he oversaw infrastructure and scholarship in eight areas of strategic strength that spanned departments from visual studies to medicine. He has served as a professor in electrical engineering and biomedical engineering and an adjunct full professor in physics at UB. In the first years of his professorship, Dr. Cartwright received both the National Science Foundation CAREER Award and the Office of Naval Research Young Investigator Award. He earned the SUNY Chancellor's award for excellence in teaching in 2002. Dr. Cartwright retained his rank as full professor while serving as system provost; continued to run the Laboratory for Applied Spectroscopic Evaluation (LASE), oversaw doctoral students and one post-doc student, and remained active in research, receiving his latest NSF award in 2016.

Dr. Cartwright's research is generally in the area of optical materials and sensors. He engineered optical "metamaterials," artificial materials that provide optical properties not readily available in nature. His technology for fabricating a rainbow-colored polymer using a one-step, low-cost holographic lithography method was one of just five inventions worldwide to be named to the Society of Manufacturing Engineers (SME)'s 2013 list of Innovations that Could Change the Way You Manufacture.

Dr. Cartwright is a prolific and highly influential scholar, producing more than 150 peer reviewed journal publications and conference proceedings. He has received considerable funding from numerous organizations including the National Institutes of Health, National Science Foundation, Air Force Office of Scientific Research, Department of Defense, and the Office of Naval Research, and various industrial sponsors. Dr. Cartwright holds four patents.

In November 2016, Dr. Cartwright was named a Fellow of the American Association for the Advancement of Science (AAAS). He was recognized for, "outstanding research, teaching and mentorship in optics, for advancing science in New York, nationally, and internationally, and for strengthening diversity and inclusion in science." He was also named to the Carnegie Math Pathways Advisory Board by the Carnegie Foundation for the Advancement of Teaching (2016); appointed by New York Governor Andrew Cuomo to the Photonics Institute Board of Officers (2015); and earned appointment as a Fellow of the National Academy of Inventors (2014). Dr. Cartwright is a Fellow of SPIE—The International Society for Optical Engineering; a senior member of the Institute of Electrical and Electronics Engineers (IEEE); a member of the American Society for Engineering Education (ASEE), Eta Kappa Nu, and the Materials Research Society (MRS).

Dr. Cartwright holds a PhD in electrical and computer engineering from the University of Iowa. He and his wife Melinda have two children, both now in college, Andrew and Alyssa.

JIM STERK

DIRECTOR OF ATHLETICS
Third Year
Western Washington, 80

Jim Sterk was named Mizzou's 20th Director of Athletics on August, 9, 2016, following highly successful tenures leading intercollegiate athletics programs at San Diego State, Washington State and Portland State.

Sterk's vision for Mizzou Athletics, Win It Right, is built upon the core values of Respect, Integrity, Gratitude, Humility and Together, and in his first two years in Columbia, the department has achieved unprecedented academic and athletic success under his leadership.

In the classroom, 265 Mizzou student-athletes received 2017-18 SEC Honor Roll recognition, 332 garnered University Dean's List status for at least one semester and 13 teams registered a 3.00 grade-point average for the 2018 Spring term. Tiger student-athletes also spent over 4,400 hours volunteering with more than 50 organizations in Columbia and the surrounding communities. The student-athlete body posted an overall record GPA of 3.04 in 2017-18 and 103 student-athletes earned their MU degrees.

The department also scored well in the NCAA's academic metrics, as MU registered a school-record Graduation Success Rate (GSR) score of 91, which ranked third in the SEC, and marked a three-point improvement over the previous record mark. Mizzou, which has either equaled or improved its GSR score for 11-consecutive years, posted SEC-leading GSR scores in baseball (97), women's basketball (100), women's golf (100), women's gymnastics (100), women's tennis (100) and volleyball (100).

In the 2017 Federal Graduation Rates survey, Mizzou ranked second in the SEC with its 72 percent mark, a performance which also matched the highest mark in program history (72 percent in 2014-15) and was three points higher than the University's average for all students during that same period.

Mizzou equaled its best finish ever in the Learfield Directors' Cup standings in 2017-18, as it totaled 660.75 points, just two shy of its record total from a season ago, to finish 33rd nationally for the second-straight year. A record 17 of the Tigers' 20 programs were represented in postseason competition with a school-record 15 earning Directors' Cup points. Mizzou captured a pair of conference championships (Mizzou Wrestling won the MAC regular season and tournament crowns) while 11 teams ranked in the nation's Top 25 of their respective sports (or finished in the Top 25) at some point in 2017-18.

Ranking 33rd in back-to-back years marked Mizzou's best two-year finish since the Directors' Cup was established in 1993-94. Prior to this two-year stretch, Mizzou had averaged a finish of 58th in the annual competition as the school's 20 programs have shined since Sterk took the department's helm.

Mizzou had Top 25 2017-18 NCAA Championship finishes in wrestling (sixth), women's indoor track & field (ninth), women's outdoor track & field (11th), women's swimming and diving (15th), volleyball (Sweet 16) and men's swimming and diving (23rd). It also marked the first time since 1981-82 that Mizzou Football played in a bowl game and both Tiger Basketball teams reached the NCAA Tournament in the same academic year.

Mizzou also produced five season-ending conference award winners, 14 individual conference champions, 53 All-Conference award winners and 40 All-America honors in 10 different sports.

In his first year in Columbia, Mizzou Athletics achieved academic, athletic and administrative success, too.

Academically, 269 Mizzou student-athletes received 2016-17 SEC Honor Roll recognition, 303 earned University Dean's List status for at least one semester, 14 teams registered a 3.00 grade-point average for the Spring 2017 semester and four teams recorded perfect NCAA Academic Progress Rate marks of 1,000—women's golf, women's tennis, soccer and volleyball. Tiger student-athletes also spent over 4,800 hours volunteering with more than 50 organizations in Columbia and the surrounding communities.

Fueled by Top 16 NCAA Championship finishes in wrestling (fifth), women's indoor track & field (eighth), men's swimming & diving (ninth), women's swimming & diving (13th), women's cross country (16th) and volleyball (Sweet 16), Mizzou ranked a program-best 33rd in the 2016-17 Learfield Directors' Cup standings with a school-record 662.75 points. The Tigers had not finished better than 36th prior to 2016-17.

In 2016-17, 16 Mizzou teams were represented in NCAA postseason play, two teams won conference championships (volleyball and wrestling) and 10 squads ranked among the nation's Top 25 in their respective sports at season's end (either at their respective NCAA Championship or season-ending ranking).

In addition, two Tigers combined to win four NCAA individual championships as wrestler J'den Cox won his third national title at 197 lbs., and Schweizer became just the fourth female in NCAA history to win the distance triple crown (cross country, indoor 5,000m and outdoor 5,000m national titles), and first since 2008. Mizzou also produced 13 individual conference champions and had 31 student-athletes earn 69 All-America certificates in 11 different sports.

The generosity, loyalty and passion of more than 7,000 donors allowed the Tiger Scholarship Fund (TSF) to raise a school-record $50.4 million during the 2016-17 fiscal year, shattering the previous record by more than $4.7 million. TSF's record-breaking total, which included new pledges and cash gifts, was aided by a school-record 11 gifts of $1 million or more, and marked just the second time in school history that the TSF surpassed the $40 million threshold in philanthropic support and just the fifth time it topped the $30 million plateau.

Working with the Missouri Board of Curators, Sterk secured approval for Kansas City-based Populous to design the Memorial Stadium South End Zone facility which is scheduled to come on-line in 2019. This game-changing project for Tiger Football will include coaches offices, a locker room, training room, weight room and team meeting rooms as well as new premium seating opportunities for Mizzou fans.

Sterk and his wife Debi have three daughters: Ashley, Amy and Abby.

BRYAN **BLITZ**

HEAD COACH
23RD SEASON
TULSA, 1987

Bryan Blitz begins his 23rd season at the helm of the Mizzou Soccer and enters 2018 with a 235-190-33 record at Missouri since he was hired as the program's first head coach in 1996.

Blitz helped guide senior Kaitlyn Clark and sophomore Sarah Luebbert to All-Southeastern Conference honors in 2017, as both Tigers claimed spots on the second team. Overall, the 2017 squad went 8-12-1 overall and advanced to the quarterfinals of the SEC Soccer Tournament following a 3-1 win over Alabama in the first round.

The 2016 squad earned the seventh NCAA Tournament berth in program history, all under Blitz. The Tigers finished the year with an 11-7-2 record overall and a 6-4-1 mark in Southeastern Conference action. Freshman Sarah Luebbert became only the second Tiger in program history to claim conference freshman of the year honors, as she was voted the SEC Freshman of the Year.

In 2015, Mizzou finished the season a program-high second in the SEC regular season standings after a 7-2-2 record in conference play. Mizzou allowed 17 goals on the season, the fewest in program history, bettering the 19 allowed in 2008. Blitz earned SEC Coach of the Year Honors for leading the Tigers to a 9-5-5 season, while three Tigers earned All-SEC honors. Candace Johnson was named to the All-SEC first team while Reagan Russell and Melanie Donaldson were named to the All-SEC second team.

During the 2014 campaign, Blitz led the Tigers to a 12-7-3 record and a 6-4-1 mark in SEC action, including a 7-1-1 record in home contests. Blitz led Mizzou to the NCAA Tournament for the sixth time in program history and advanced to the second round after posting a 3-1 win over Kansas in the opening round.

In 2013, Mizzou knocked off three top-25 teams, which were the most wins over ranked opponents for the Tigers since 2008. Missouri recorded its first ranked win with a 1-0 defeat of No. 7 Florida, then handed No. 7 South Carolina only its second loss of the season on Oct. 18 and posted a dramatic 2-1 double-overtime win at No. 25 Kentucky on Oct. 25.

In the program's first season in the Southeastern Conference, Blitz led the Tigers to a 14-7-1 season and their fifth NCAA Tournament berth. The squad's 14 wins are tied for the second-most in a single-season. Mizzou also recorded an 8-5 SEC mark and advanced to the semifinals of the SEC Tournament in Orange Beach, Ala.

After a 7-10-2 season in 2010, Blitz led the Tigers to a 12-8-1 record in 2011 despite 13 players who were new to the program. Mizzou set a new program record for non-conference winning percentage (.909) during the year and tied the team's consecutive wins record.

In 2009 Missouri reached new heights, as the team claimed the Big 12 regular season title for the first time in school history. Blitz was honored as the Big 12 Coach of the Year for his work to mark the second time in his career he earned such an honor.

In 2008, the Tigers had arguably their most successful season in program history. Blitz directed his team to a 16-5-2 mark, the Big 12 Conference Tournament championship and into the second round of the NCAA Tournament for the second consecutive season. Over the course of the year, Mizzou set school records for wins (16), fewest losses (five), shutouts (12) and goals against average (0.80), among others. The Tigers advanced once again to the second round of the NCAA Tournament, an event Missouri hosted for the fourth time, but fell to Illinois in a penalty kick shootout after 110 minutes of play.

In 2007, Blitz directed his young Mizzou squad to a 13-8-1 record and the third NCAA Tournament berth in program history. Playing once again at friendly Walton Stadium, Mizzou advanced to the second round of the tournament for just the second time after defeating Southeast Missouri State (SEMO) in a shootout. The Tigers came up just short in the second round, falling to eventual national champion USC, 1-0, in overtime.

Over the course of the season, Missouri reached No. 5 in the national rankings, its highest ever, and received unprecedented accolades from the Big 12 Conference. Freshman Alysha Bonnick became the first Tiger to earn a postseason award after winning Big 12 Rookie of the Year honors and Blitz was honored as the Big 12 Coach of the Year. Additionally, sophomore Kristin Andrighetto was just the second Missouri player to earn a spot on the All-Big 12 first team. Four Tigers were named to the second team and three players were selected to the All-Newcomer team. On the national level, Andrighetto earned All-America fourth-team honors from Soccer Buzz and Bonnick was a Freshman All-America second -team selection from two different publications.

The Tigers continued to improve under Blitz's tutelage and logged a 7-12 record, going 3-7 in Big 12 play during the following season. Missouri's second year also saw the national spotlight as Jennifer Kram was named to the Soccer America National Collegiate Team of the Week—MU's first national recognition. The accolades would not stop there however as Mizzou placed two athletes, Nikki Thole (third team) and Kristin Boeker (honorable mention) to the Soccer Buzz Freshman All-America team.

In 1998, Blitz led Missouri to its first winning season going 11-9-1 and 6-5 in the Big 12.

MU's fourth season proved to be a record-setting campaign for the Tigers as Blitz led Missouri to a 14-8-1 season record and a 6-3-1 Big 12 mark in 1999. The Tigers also advanced to their first NCAA Tournament. The Tigers fell to Marquette in their national postseason debut, but put forth a strong showing as they took the Golden Eagles to a 3-2 quadruple overtime loss.

Despite the loss, Blitz coached his athletes to an astounding season. Thole received All-America accolades from the National

Soccer Coaches Association of America (NSCAA), SoccerBuzz and College Soccer Online.

By 2000, Blitz had conditioned his squad into a finely tuned machine. The Tigers earned their highest ranking in the NSCAA poll after defeating No. 18 Florida State and No. 12 Wake Forest in back-to-back games to earn a 12th-place ranking. The Tigers split the season 10-10 with a 5-5 Big 12 record.

In 2001, Blitz reloaded the Tiger program known for its physical intensity with nine newcomers. The young squad quickly made its mark going 13-8, with a 5-5 Big 12 mark, and set a new precedent with six shutouts on the season. In addition, the Tigers defended their first perfect game in school history outshooting Indiana State 34-0 on their way to a 4-0 victory.

The 2002 Tigers posted an 11-7-2 record with a 5-4-1 mark in the Big 12 to finish fourth in the league standings. The season proved arduous as the Tigers played a record six overtime games during the year. Mizzou had two athletes named to the SoccerBuzz All-Central Region teams in Lacy Moore and Jennifer Nobis.

Keeping stride in 2003, Blitz successfully navigated his squad through one of the nation's toughest schedules. Facing 10 opponents ranked in the nation's top-25 at some point during the season, Mizzou made a late-season rally, advancing to both the Big 12 Tournament championship final and the NCAA second round. Highlighting the push, the Tigers overcame the odds to record an amazing come-from-behind victory over No. 4 ranked Texas A&M (5-4). Mizzou also picked up the program's first win over No. 22 Nebraska rolling the Huskers 3-2 during Big 12 Tournament play.

Rounding out the season with a 12-11-1 record and an eighth-place Big 12 finish, the Tigers made history as the first No. 8 seed to claim a Big 12 Tournament victory.

In 2004, Blitz led the Tigers to a sixth-place finish in the Big 12. Mizzou defeated two ranked teams in 2004, including then-No. 6 ranked Texas A&M, recording the program's first-ever win in College Station, Texas.

In 2005, under Blitz's direction, the Tigers posted a 9-8-3 overall record and qualified for the Big 12 Tournamtent for the ninth time in the conference's 10-year history. In 2006, he took the Tigers to a 7-0 start as the squad reeled off five straight shutouts to begin the season.

Blitz began his head coaching career at Butler University as the program's inaugural head coach in 1991. In his fifth season, he took the Bulldogs from obscurity to the national spotlight in an undefeated run through the Midwestern Collegiate Conference and the team's first national ranking. Blitz earned the Midwestern Collegiate Conference Coach of the Year award for his work in the 1995 season and received an invitation to help coach the U.S. Women's National Team.

Developing Blitz's unique collegiate coaching perspective, he has worked and played in soccer communities around the world improving his knowledge and abilities. Blitz traveled to England to play for one year while he was in college. He returned to the states and to the University of Tulsa, where Blitz helped start the Golden Hurricane women's program as an assistant coach in 1987.

He took two years off from coaching to play in the Southwest Indoor Soccer League and the Northeast Super Soccer League (in Dallas and New York) before a desire to earn a master's degree in business led him to Butler, where he met his wife, Alie. There, he became a graduate assistant for the men's team and two years later took the reins as a women's head coach for the first time.

Blitz, a 1987 graduate of Tulsa, and his wife, Alie, have four children, Madison, Connor, Oliver and Abigail.

- Mizzou's first-ever NCAA game, a 3-2 four overtime loss to Marquette in the 1999 first round, stands as Missouri's longest-ever match. The game went 142 minutes.
- The Tigers' all-time leading scorer, Nikki Thole, tallied Mizzou's first-ever NCAA Tournament goal in the game against Marquette.
- Three of Missouri's NCAA games have gone to penalty kicks following two overtime sessions.
- Seven different Tigers have scored in NCAA Tournament games: Michelle Collins, Taylor Grant, Kristen Heil, Danielle Nottingham, Candace Ruff, Reagan Russell, Mallory Stipetich and Nikki Thole.

1999

NCAA TOURNAMENT - FIRST ROUND

Nov. 10, 1999 • Columbia, Mo.

Marquette 3, Missouri 2 (4OT)

COLUMBIA, Mo. - The University of Missouri women's soccer team was defeated Wednesday, Nov. 10 in the first round of the 1999 NCAA Tournament by Marquette, 3-2 in four overtimes. The match, which was the longest in both programs' history, was decided in the 142nd minute when Marquette's Amy Hnatow scored her first career goal.

After 35 minutes of scoreless play, Marquette got on the board with a score from Kate Gordon, her ninth goal of the season. The score stayed 1-0 at halftime before Marquette added its second goal in the 54th minute. Erin Morgan netted her eighth of the season on a pass from Lannette Rossini and Marquette led the Tigers 2-0.

Just over two minutes later, Nikki Thole put MU on the scoreboard when she knocked home a goalie deflection with a soft header. Thole's 22nd goal of the season got Missouri back in the match and reenergized the Tigers.

After she was hauled down in the penalty box, Thole scored the equalizer on a penalty kick that beat Marquette's goalkeeper low right. From that point on, nearly a full match was played before the next goal was scored.

Three full overtimes, and most of the day's sunlight, came and went with the team's trading opportunities in the extra periods. At 141:13, Hnatow placed a shot over Missouri goalkeeper Jackie Adamec's head from the right side and Marquette had the victory.

2003

NCAA Tournament First Round
Nov. 14, 2003 • Columbia, Mo.

Missouri 1, Eastern Illinois 0

COLUMBIA, Mo. - Appearing in their first NCAA Tournament match in four years, the Tigers continued their hard fought postseason rally defeating Eastern Illinois 1-0. The victory marked Mizzou's first NCAA Tournament win in program history.

After a lackluster first half, Mizzou didn't waste any time shining up the scoreboard during the second period. Just three minutes into play, Kristen Heil put Mizzou up 1-0 scoring her 10th goal of the season.

Preparing the scoring play deep in the midfield, forward Melissa Peabody sliced a pass to Adriene Davis in the midfield circle, who then played a perfect pass to Heil at the top of the penalty box. Heil then bested two EIU defenders and keeper Tiffany Groene to deliver the game-winner.

NCAA Tournament Second Round
Nov. 16, 2003 • Columbia, Mo.

Kansas 2, Missouri 0

COLUMBIA, Mo. - Riding through a roller coaster season, the Missouri soccer team ended the 2003 campaign with loss in the second round of the NCAA Tournament to No. 16-ranked Kansas, 2-0.

Backed by solid defensive play, Mizzou's offensive squad was able to concentrate its efforts on the KU net. Jennifer Nobis pulled out an exhilarating break away, but lost the ball to an aggressive play by Jayhawk keeper Meghan Miller.

Mizzou's defensive squad continued its valiant efforts, thwarting Kansas in the backfield. Unable to best the Tigers one-on-one, the Jayhawk offense finally found fruition in one of their nine cornerkicks. Lobbing a ball into the penalty box, the two teams batted the ball through the arcade of bodies until Smith caught a sharp foot on the ball and sailed it over the goal line.

Down 1-0 with just 13 minutes ticking on the clock, Missouri frantically tried to even out the score. Despite several extraordinary attempts by Davis, the Tigers struggled to come back. The frenzy opened up KU's second scoring play that dropped MU with a 2-0 deficit with just two minutes left to play. Kimberly Karfonta lofted a ball from midfield to Carmel Kaplinger who dribbled the ball to score.

2007

NCAA Tournament First Round
Nov. 16, 2007 • Columbia, Mo.

Missouri 1, SEMO 1 (2-0 PK)

COLUMBIA, Mo. - The 23rd-ranked Missouri soccer team tied Southeast Missouri State (SEMO), 1-1, with the Tigers advancing to the second round of the NCAA Tournament on penalty kicks. The Tigers and Redhawks were scoreless through 67:36 of action before the game was decided, 2-0, on junior Kat Tarr and junior goalkeeper Mallory Forst's shootout shots.

Sophomore Michelle Collins came up with Missouri's first goal of the night, dribbling the ball in from the top of the box. Shooting from eight yards out, Collins beat the keeper to the right, scoring 16:26 into the game. The goal was Collins' 12th of the year.

After SEMO tied the game and a scoreless overtime session, five Tigers were selected from the lineup to take Missouri's penalty shots. Tarr made Missouri's first penalty kick attempt but SEMO missed all four of theirs before Forst stepped up and hit her shot to advance the Tigers to the second round.

NCAA Tournament Second Round
Nov. 18, 2007 • Columbia, Mo.

USC 1, Missouri 0

COLUMBIA, Mo. - The eighth-ranked USC Trojans (16-3-2) defeated the 23rd-ranked Missouri Tigers (13-8-1), 1-0, in the second round of the NCAA Championship in Columbia, Mo.

USC scored the game-winning goal on a header from less than five yards out by midfielder Ashley Nick with 5:12 remaining in the second overtime period. USC midfielder Megan Ohai tallied the assist off a throw-in.

The first half ended scoreless, with Missouri out-shooting the Trojans, 5-3. Missouri's best scoring chance came just four minutes into the game. Alysha Bonnick delivered two shots from inside the box, both saved by USC goalkeeper Kristin Olsen.

USC dominated the first overtime, out-shooting the Tigers, 5-2. Five minutes into overtime USC's Amy Rodriguez ripped a shot from just inside the box that was saved by keeper Mallory Forst. COLUMBIA, Mo. - Michelle Collins and Candace Ruff each scored a goal in the first half to give Missouri a first-round victory. The goal marked Collins seventh on the season and gave the Tigers a 1-0 lead. The Aces weren't able to keep Mizzou quiet. Just thirty minutes after Collins' goal Ashley Hamblin passed one to Candace Ruff for the Tiger's second score of the game and Ruff's second career goal. Missouri recorded 16 shots in the first period while Evansville attempted just one.

Illinois dominated early play in the second half and the Illini went up 1-0 in the 56th minute when Jackie Santacaterina flicked a ball up to Chichi Nweke. The forward fired a 14-yard shot past Dittamore and into the lower far post. Illinois 1, Missouri 1 (3-0 PK)

COLUMBIA, Mo. - Following a 1-1 game after 110 minutes of play between Mizzou and Illinois in the first round of the NCAA Tournament, the contest went to a penalty kick shootout, where Illinois advanced. The Tigers outshot the Fighting Illini 28-19 in the contest but had numerous shots hit off the post.

The Tigers could not convert on their first three penalty kicks, while the Fighting Illini made their first three attempts to advance. Illinois went up 1-0 in the 19th minute but Missouri battled back and used a goal from junior Danielle Nottingham to knot the score at 1-1 in the 53rd minute. Redshirt-freshman Lauren Flynn played a ball across the field to Nottingham, who was stationed outside the left corner of the box. Nottingham ripped a 20-yarder that sailed past Illinois' goalie and into the upper left netting. The tally was Nottingham's first of the season and ninth of her career. Flynn earned her first career assist on the play.

Mizzou sent a flurry of six shots toward the goal in the final nine minutes of regulation but could not take the lead. With just seconds remaining in the second half Grant blasted a shot but it flew just wide left of the goal. Following a scoreless first overtime session, the Tigers again seemed likely to score in the second overtime. The home team managed to earn three corner kicks and got off three shots but again could not score to send the contest to a penalty kick shootout.

Grant, stationed near the post, chested the ball down into the net from a yard out for a 1-0 Tiger advantage.

Grant struck again early in the second half for a 2-0 Mizzou advantage in the 51st minute. Senior Kaysie Clark played up a perfect pass to Grant, who ran onto the ball at the top of the box. The Kansas keeper came off her line but Grant took a touch and sent a low shot past the goalkeeper and into the lower left netting for her team leading ninth goal of the season. A goal from the Jayhawks in the 57th minute cut Mizzou's lead to 2-1 to give Kansas some hope. In the 66th minute, Russell ran down the right sideline, ran into the box and slotted a low shot from 10-yards out into the far post for a 3-1 Missouri lead.

Kansas 1, Missouri 0 (OT)

LAWRENCE, Kan. – Kansas scored 40 seconds into the second overtime session to earn a 1-0 win over the Mizzou soccer team in the first round of the NCAA Tournament at Lawrence, Kan. The game was close throughout but the Jayhawks struck on a close-range shot to end the Tigers' season.

After 100 minutes of scoreless soccer, the Jayhawks used a five-yard strike from Lois Heuchan only 40 seconds into the double overtime to give the home team the win. The ball was crossed across the goal to Heuchan, who calmly beat Mizzou sophomore keeper Kelsey Dossey to the right netting.

The contest was evenly matched, with Kansas owning a 17-14 edge in shots and both teams committing eight fouls. The Tigers did have a 12-6 advantage in corner kicks, including a 10-3 lead in the second half and overtime.

Freshman forward Sarah Luebbert nearly put Mizzou up in the third minute when she received the ball at midfield and raced toward goal. However, the freshman's final touch was a bit heavy and the Kansas keeper came off her line to block Luebbert's 12-yard shot.

The Tigers' best chance of the day came from the foot of senior defender Erin Webb in the 81st minute. She dribbled into the box and unleashed a left-footed strike that sailed inches over the crossbar.
